## Australian Delegation to the International Consumer Electronics Show (CES) 2005 **January 6 – 9 2005** Las Vegas Convention Center Las Vegas Nevada U.S.A.

Join the U.S. Commercial Service and enjoy exclusive benefits as a member of our Australian Delegation.

The hottest technology from more than 2,400 global companies will debut at the 2005 International Consumer Electronics Show. See the latest on offer in this \$101 billion dollar industry.

TradeshowWeek, has ranked the International Consumer Electronics Show, North America's largest annual tradeshow of any kind. Attended by more than 130,000, including 3,100 international retailers, CES is the largest technology show in the world. No other show provides the full range of consumer electronics from around the world at one time, or can give you the competitive advantage of seeing the very newest technologies. It's all here: from digital imaging, content storage, WiFi, wireless gaming, mobile and wearable computing, DTV and other entertainment, to RFID applications, and emerging technologies like Ultrawideband and automotive telematics.
